- We currently have three schools in-process.

## Advocacy

- INPEA came to visit Vyju's school (arm of CAPE).
  - Does advocacy work for non-public (non-profit) schools
  - Vyju hopes Montessori schools will join and create a jurisdiction.
  - John from INPEA is willing to have a Zoom meeting with Montessori schools to help explain why advocacy and lobbying is important in education.
    - Vyju would like to work with Carolyn to make sure as many possible schools attend this meeting.
    - UMSI is a little unusual because we represent a variety of schools (not only non-profit)
    - Jess and Vyju will be meeting with Eric, FSSA, IN DOE (March or April?)
    - Ines asks if he would be willing to do a workshop at the conference in the fall

  - Carolyn wonders if we'd like to exhibit at AIMS instead of Cincinnati?
    - Vyju suggests we focus on AIMS this year, then decide for next year which one (or both) to do. Board agrees.
    - Kathy suggests Carolyn focuses on the "on the road" program, and Jaime go to AIMS to learn about the conference and "glean ideas".
